# BITWARS 2.0

ALGORITHMIC SHOWDOWN

06<sup>th</sup> September, 2024

[Event Brochure](#)

BITWARS 2.0, South India's Biggest Offline CP Event

# Get ready to get-set and code

## Welcome Aboard

### Introduction

BITWARS is a premier offline competitive coding event where participants showcase their skills for the top title. The event features intense coding challenges designed to test and elevate participants' abilities.

### About VIT Chennai

VIT Chennai, established in 2010, is a leading private institution in Tamil Nadu, India, offering top-tier engineering programs with a focus on research, industry collaboration, and practical learning for successful technical careers.

### About IEEE CS

IEEE CS VITC, established in 2019 at VIT Chennai, where innovation thrives and technology excels. As a premier branch of IEEE and its Computer Society, we are committed to driving breakthroughs in computer science and connecting visionary tech enthusiasts globally.

 Prime Logo Placement	 Customized Ad Campaign	 Brand Exposure	 Speaker Slots	 Product Integrations

Title Tier : 25 K INR+  
Gold Tier : 20 K INR+

Silver Tier : 15 K INR+

Name : Vellore Institute of Technology  
Account Number : 86837XXXX  
Bank : XXXXX  
Branch : CHENNAI CAMPUS BRANCH  
IFSC Code : IDIB000XXXX

## Introduction

# Introducing the opportunity

BITWARS 2.0, VIT Chennai's second edition of the biggest offline Competitive Programming Event, is set to revolutionize Competitive Programming Culture. Hosted by IEEE CS, it features workshops, speeches, and Coding Contest. Network with brilliant minds and try to get them for PPI's opportunities. Competitions will challenge participants to solve algorithmic problems. Join us for a transformative experience.
